## END OF LIFE DECISION - CONFUSION

In place of my weekly article under "Pastor's Corner," I share with you this weekend an article prepared by Izabella Jakab, a Doctor of Internal Medicine, a parishioner, and Parish Eucharistic Minister.

*Lately, there seems to be a lot of confusion regarding end of life decision-making. Unfortunately, this is because we lost our spiritual, Godly perspective, and we no longer identify with the traditional Christian principles. The decision should be God's, but we try to take control, and that leads to confusion. We forget that life is a gift from God, sacred from conception to natural death. The timing of natural death is God's, not man's. A larger dose of morphine, pulling a feeding tube, and starvation are **NOT** natural death. (Unfortunately today this happens in many nursing homes, more or less undercover.) Today, "compassion and dignity" have a different meaning. A dog is put down when old and suffering, but a dog is not a spiritual being like you or I. Persons have souls in their old, ravaged, and tired bodies. It is easy to forget that when watching an old grandmother with Alzheimer's disease, dependent on everyone else's compassion, for every drop of water. We **do not know** how much redemption just one more day of quiet suffering can bring to her or her family. Suffering is not wasted by God. The quality of life of that person is defined by its redemptive value it can bring. We are no judge of **THAT**.*

*Real compassion is offering the daily basic care. What is basic care? Air, water, and food, given with love. Can this person breathe on his/her own? Can this person digest and make urine on his/her own? If the answer is yes, sips of chicken broth, bites of pureed food, or even a feeding tube into the stomach are not extraordinary means of life support. Extraordinary means would be when basic care is administered with the help of machines, such as a respirator, dialysis, or parenteral feeding. When a patient is unable to draw a breath, unable to digest food, or unable to excrete the fluids given, these are conditions of end-stage organ failure. When the harm of offering treatment and nutrition is more than the benefit, it is morally correct to withdraw treatment.*

*Practically now, as long as the basic function of respiration, digestion, circulation, and excretion are present, even if slow, we ought to offer basic ordinary care: again - air, water, nutrition.*

*Even in a persistent vegetative state, where respiration, heartbeat, and urine-making are present, a feeding tube into the stomach is not an extraordinary, life-sustaining measure. The person in a vegetative state is not dead. We do not know why and for how long God will allow that state, but it is not for us to decide the time.*

*So what are we to do?*

- Remember, life is sacred.
- God gave it and God will take it away.
- Do not judge anyone's "quality of life."
- Suffering is not wasted time. It is redemptive.
- Do not proactively facilitate the time of death.
- Offer basic, ordinary measures of life sustenance.
- Have an Advance Directive stating that ordinary life-sustaining measures are to be offered, but the most important part is to appoint a Durable Power of Attorney for Healthcare, choosing a trusted family member or friend with a similar value system.

### THANK YOU FROM THE MISSION OF ST. JOAN OF ARC

All of us at the Mission of St. Joan of Arc, Philadelphia, want to express our gratitude to Mrs. Maria LaMantia and St. Ignatius of Antioch Youth Group for the gift of HOPE you have given us during this Easter Season.

The beautifully decorated Easter gift bags stocked to the brim with candy that you prepared for our children were simply adorable! We wish you could have experienced the smiles and squeals of our children as they scurried about our property searching for these treasures during our Holy Saturday Easter egg hunt. Thanks to your generosity, Easter was made especially meaningful for our children and we are deeply grateful for your thoughtfulness.

### WORLD WIDE MARRIAGE ENCOUNTER SUMMER BREAK FOR MARRIED COUPLES

We also need a very limited number of volunteer junior aides (Grades 6 - 12). **PLEASE SEND IN YOUR REGISTRATIONS ASAP.**

#### **REGISTRATION FOR 2015-2016 PREP YEAR...**

Our Religious Education program is open to students in grades K through 12. All PREP families should have received registration materials. Please bring or mail in completed registration forms for each child and tuition fee to the PREP Office as soon as possible.

If you are new to the parish or will have children entering kindergarten or grade 1 in the Fall, please stop in our office for information and registration materials, or call 215-493-5204. We will also need a copy of the child's Baptismal certificate unless he/she was baptized here at St. Ignatius Church.

**To Parents of Students in grades 7 - 12:** In grades K - 6, students learn about God and the doctrines of our Faith in an age appropriate manner. If this is the only Religious Education that a child receives, how can he/she ever learn to develop a teenage or adult relationship with God? Parents, is the God you believe in still the God of your youth? Please give your older children the chance to know a "big" God. Send them to PREP through grade 12.

Parents, are you aware that we have a "Special Needs" PREP class that meets on Wednesdays at 6:30 p.m.? If we could help to give your child a religious education in a small group environment, please give Annmarie a call to put your name on our mailing list.

#### **CHARISMATIC PRAYER GROUP**

**We meet every Tuesday from 7:00-8:30PM in Room 2F in the Meeting Center.** Deacon Bob Skawinski is our spiritual Prayer Group Director.

#### **ST. IGNATIUS OF ANTIOCH SCHOOL**

#### **"High Achievement ~ Higher Purpose"**

From the desk of Mrs. DiTommaso:

"Peace be with you!" These words are spoken by Jesus to his disciples upon entering the locked room. In the early second century, they became part of the Mass after the General Intercessions and were later moved to after the Our Father. Spend some quiet time this week contemplating these words and the effect they may have on the people to whom you speak.

#### **We congratulate the following students for being Chosen Disciples of the Month for March. They were recognized for their love of God:**

Edward Larr, Lauren Berard, Isabelle Glunz, Sophia deJesus, Colin McCarthy, Ricky Horger, Sophia Ventresca, Braeden Choo, Marissa Stauff, Emilia Kulak, Emmet Young, Grace O'Brien, Niccolo Valerio, Aidan O'Reilly, and Bridget Wheeler.

#### **Coming Events:**

Monday, April 27 - Music Assembly

### MUSIC "NOTES"

**Dr. Frank Klose ~ Music Minister**  
Email: [fklose@siparish.org](mailto:fklose@siparish.org)

After 40 days and 40 nights of restless anticipation, we can finally sing an energetic "Alleluia" loud and clear. The music of the Easter season is filled with many Alleluias as we particularly commemorate Jesus' rising from the dead. "*The Strife is O'er*", "*Jesus Christ is Risen Today*", and plenty of our other Catholic favorites echo throughout the entire season, not just Easter Sunday as we have 50 days of Easter joy before Pentecost.

We would still love to have more choir members or musicians consider joining music ministry. We have three groups: parish choir, parish youth band at 6:00 Masses on Sunday evenings, and the 9:30 music group called "First Light."

Those interested in the choir or youth band - we are currently practicing the hour before Masses in which we sing, in lieu of evening practices. We hope to accommodate everyone's schedule by doing this. If you think you are too busy, I would be happy to work with anyone's schedule if you can help make a joyful noise to the Lord and help lead the congregation in song. If you are interested, please contact me at the email address above, or speak to any music minister after Mass to express your interest.

### ADORATION CHAPEL

We are truly blessed at St. Ignatius to have an Adoration Chapel. 24 hours a day, 7 days a week, someone is spending quiet time with our Eucharistic Lord, Jesus! You can too, anytime day or night - just come in and visit. Also if you would like to come at a set time each week, please consider taking one of the following hours:

Sunday - 3:00pm; Monday - 10:00am; Tuesday - 3:00am, 9:00am, 3:00pm, and 6:00pm; Friday - 6:00pm; Saturday - 4am and 12:00pm. Also, if you would like to be a partner on Monday at 6:00pm, Saturday at 7:00pm, or Sunday at 8:00pm, that would be appreciated. For more information about Eucharistic Adoration, kindly call Marianne Kloc for more information at 267-346-0152.

**New Information for Chapel Closing:** To find out if the Chapel is open or closed, kindly call 215-493-3377, extension 221. A recorded message will give you the latest information. We are phasing out calling our Adorers, so please call the information number provided and keep it handy for your convenience. It would be helpful to call anytime the weather is inclement to see if we have decided upon an extended closing. Thank you for your cooperation and commitment to Adoration of the Blessed Sacrament.

### NEW MEMBERS

**Our parish welcomes the following new members who have joined our faith community:**

Charles, Starlet, and Marcus Jacobs  
Scott and Melissa Johnson  
Christopher, Leslie, Emma, and Henry Sabotka  
John, Kristine (Gonzales), and Olivia Silvey  
Nicholas, Patricia, and Isaac Triglia

### A Red Rose Can Be Placed By The Respect Life Altar

The Respect Life Committee offers all parishioners the opportunity to dedicate our Rose for Life to a special occasion, person, or event. Just fill out one of the envelopes at the entrances of the church or adoration chapel and drop off in a collection basket or the rectory. We will accommodate a special plaque to your request on the 'rose pedestal'. Also, please stop by our new Guadalupe shrine in the Reading Ave. entrance of the Church and say one Hail Mary to stop abortion.

"The pro-life position is so often misunderstood as neither showing compassion to mothers nor caring about the children after they are born. This is unfortunate...those who see a lack of compassion from pro-lifers may not be aware of the many resources and compassionate care available to women facing unplanned pregnancies...crisis pregnancy centers exist to provide warm and caring environments for the mothers and families who find themselves with an unplanned pregnancy." (Life Issues Forum)

Crisis pregnancy centers are like 'second homes' to those who are in desperate situations where they think abortion is the only way out. Once resources are made available to enable these troubled moms to see a solution that they thought was impossible, they choose life. Further, most, when they see their baby on ultrasound, say yes to life. Why not visit a local crisis pregnancy center and check it out? See Community Women's Center of America at 712 New Rodgers Rd., Bristol, PA, 19007.

Our Lady of Guadalupe, pray for us.

**BOOK 'N BEAN**

Wish you had more time to read great books? How about one per month? Join us on the last Tuesday of each month to discuss the club's book of the month!
