Personal Comments

"For the first time after Catholic School education, I am reading the Bible – really reading and trying to understand its meaning and application to my life. I have found a group of women who care about each other's spiritual journey and who encourage and comfort each other when we have doubts and fears, all of which makes Christ's presence in my life so real".

Are you a seeker of wisdom? Truth? One of the few titles that Jesus accepted was the title "Rabbi", which means teacher. At one point He scolded those who did not come to learn from Him by saying "at the judgement, the Queen of the south will rise to condemn you because she traveled all the way to learn from Solomon here". Growing in understanding of our faith is a life-long process, filled with discovery, enlightenment and joy. Join us on the journey! Bring a friend.
