

Short Term Use of Facilities by Others

The following Short Term Facility Use Agreement (“Agreement”) or alternatively Short Term Facility Use Agreement Amendment (“Amendment”) or other approved agreement should be used when renting or leasing a facility to another person or organization for their **own** use/event (i.e. use/event NOT sponsored by the Location).

The Amendment, which is an alternative to the Agreement, is recommended as a supplement to a Location’s own facility agreement unless the agreement has been approved by the Archdiocese of Philadelphia Risk and Insurance Program.

The Agreement or Amendment is recommended even if renting for no charge or if renting to another Location. However, the requirement for evidence of insurance or insurance alternative does not apply to another Location.

The Agreement or Amendment is only used in cases of temporary occupancy (seven or fewer consecutive days) and not in cases of more regular or total occupancy of a facility (more than seven consecutive days). **Tenants using a facility for more than seven consecutive days are subject to the approval and oversight of the Office for Property Services.**

The following restrictions apply to facility use arrangements:

1. Only rent to persons or non-profit organizations and only if the proposed use is compatible with the teachings and philosophies of the Roman Catholic Church.
2. Regardless of use, do not rent to for-profit organizations.

In accordance with the Agreement or Amendment, the Sponsor must provide evidence of insurance or meet the requirements of the required insurance alternative as outlined below:

1. Sponsor must provide a Certificate of Insurance evidencing General Liability insurance with:
 - a. Each Occurrence limit of at least \$1,000,000;
 - b. Host Liquor Liability coverage if serving alcohol;
 - c. Waiver of Subrogation; and
 - d. Additional Insured status for the Archdiocese and Location.
2. If the Sponsor is unable to meet the insurance requirement, the Sponsor must buy the Tenant Users Liability insurance offered by Porter & Curtis, LLC, provided the event qualifies for coverage under the Tenant Users Insurance policy. Qualifying events are identified in the Events section of Quadra. The Location must record the event in Quadra prior to the date of the event or first date of a recurring meeting event. There is no insurance application, however, the Location must provide a copy of the policy to the Sponsor. The premium must be collected by the Location and remitted and made payable to Porter & Curtis, LLC.
3. If the event does not qualify for Tenant Users Liability insurance, the Sponsor must provide a signed Participant Release and Waiver of Liability Agreement from each event participant, in the form provided and available through Quadra or other approved agreement.

Questions about these instructions, the Agreement or Amendment, Certificates of Insurance, or the Tenant Users Liability insurance should be directed to the Archdiocese of Philadelphia Risk and Insurance Program.
